Hidden Shoal Recordings » Beautiful Lunar Landscape Signing

Perth, Western Australia, July 24th, 2007.
The Australian digital music label, Hidden Shoal Recordings, today announced the signing of French trip-rock outfit Beautiful Lunar Landscape to its roster of artists.

Beautiful Lunar Landscape's music is constructed with a cartographer's sense of detail and direction. The band's songs have a natural dynamism, shifting between all-out bliss rock to haunting ambient pop, at times recalling the shimmering intensity of Ride or The Boo Radleys at their respective peaks, yet managing to transport the listener beyond the familiar.

"ever wanted to hear what Portishead would sound like melded with a shoegazer aesthetic?... It is absolutely, spell-bindingly brilliant... you are left mesmerised by the expansive and wide-reaching nature of the sounds BLL can create" - **Boring Machines Disturbs Sleep**

Beautiful Lunar Landscape formed in October 2003 in Bordeaux, France. Since then, Ben Ling (vocals/synths), Benoit Paissard (bass), Manu Georg (drums), Laureline Roux-Eymery (vocals), Arnaud Sigonney (guitar), and Julien Sussat (guitar) have released two acclaimed EPs, toured England and France, and received extensive radio play on both sides of the Channel.

Beautiful Lunar Landscape's *Alone in the Dark Romantic Night* EP will be released through Hidden Shoal Recordings on the 4th of September. The EP's four luscious tracks

transport the listener across ink-black expanses reverberating with a wonderful sense of drama and mystery. This is twenty-first-century trip-rock.

Hidden Shoal Recordings is an Australian-based independent digital music label. The label is a unique marriage of contemporary distribution, marketing and publicity with traditional indie label values and, most importantly, a wonderful catalogue of releases.

Hidden Shoal Recordings current catalogue includes releases that slip between the edges of experimental ambient work, shoegazing pop, post-rock and indie rock. The label has earned a reputation for releasing exciting and engaging new independent music that is not bound by genre or style.
